

## DPF 4500GLX / MLX + X-Scape<sup>®</sup> TECHNOLOGY

DPF 4500GLX / MLX is an easy to install solution for your short to medium-term permanent applications. The bright white gloss or matte finishes have built-in opacity to maintain the integrity of the printed graphic. The tinted, permanent adhesive with LX (Low Profile) X-Scape Technology<sup>®</sup> allows for easy installation and long-term bond. DPF 4500GLX / MLX is the best value air egress for everyday sign applications.
