Under the structure of the REACH regulation, Arlon Graphics, LLC is a manufacturer of "articles" to our customers. In accordance to [Article 33\(1\)](#), any manufacturer of an article containing a substance on the list in a concentration above 0.1% (w/w) shall provide the recipient with sufficient information to allow safe use of the article including, as a minimum, the name of the substance.

Therefore, Arlon Graphics informs that the articles mentioned above **do not contain** any of the SVHC listed in the REACH regulation.

We are being notified by our suppliers if further additions of substances to the SVHC list are present in the products supplied to us and we do not test or analyze for ingredients not intentionally added.

Sincerely yours,

Josh Nguyen
