These products are articles and are not subject to the US Occupational Safety and Health Administration's (OSHA) Hazard Communication Standard 29 CFR 1910.1200(b)(6)(v) to provide a Safety Datasheet (SDS):

The above product(s) comply with:

- EU Regulation 1907/2006 Article 33, Annex XIV, and Annex XVII. (REACH). Including the extended Candidate list for SVHCs now containing 253 substances.
- EU 2015/863. (RoHS), our articles do not contain any SVHC restricted substances above the maximum concentration threshold of 0.1% w/w in homogeneous materials.
- EU 2019/1021 including restrictions listed in Annex I, Part A of the regulation. (EU POP)
- EU 2023/1608 of 30 May 2023 amending Annex I to Regulation (EU) 2019/1021 listing perfluorohexane sulfonic acid (PFHxS), its salts and PFHxS-related compounds.
- (EU) 2017/745 regulates carcinogenic, mutagenic or toxic to reproduction (CMR) substances, and endocrine-disrupting (ED) substances. Medical devices cannot contain these substances above 0.1% weight by weight. The EU MDR regulated substances are referred to in Chapter II Section 10.4 of Annex I of EU MDR. This Annex identifies three lists:

(1) Substances which are "...carcinogenic, mutagenic or toxic to reproduction ('CMR'), of category 1A or 1B, in accordance with Part 3 of Annex VI to Regulation (EC) No 1272/2008 of the European Parliament and of the Council."

(2) Substances with "...endocrine-disrupting properties...identified either in accordance with the procedure set out in Article 59 of Regulation (EC) No 1907/2006 of the European Parliament and of the Council."

(3) Substances with "...endocrine-disrupting properties...pursuant to the first subparagraph of Article 5(3) of Regulation (EU) No 528/2012."

- US CFR title 40, part 751 Subpart B and Subparts E.405-.413 (TSCA)

In addition, the product(s) contain no Phthalate plasticizers, Bisphenol A, animal products, or natural latex.

We do not analyze our products but base our findings on good faith vendor supplied regulatory disclosures and/or review of safety data sheets provided for components used in these products. We purchase raw materials from reputable vendors, but it is not possible to state categorically that our products are "free" from these substances. Trace amounts may also be present in the environment, giving the potential for low-level contamination.

Sincerely yours,

Andreas Schneider

Senior R&D Manager
