

DPF 6700

Conformable Vinyl, Lasting Results

DPF 6700 is a highly conformable film for interior and exterior wall wraps. Apply with heat to provide your graphic with a paint-like finish. DPF 6700 is formulated to conform to textured unpainted* masonry surfaces such as brick, stucco and concrete. Combine DPF 6700 with Series 3220 overlamine to get the perfect gloss, matte, satin or luster finish for your wall graphic applications.

**If surface is painted, surface vinyl compatibility testing is recommended prior to installation.*
