## DPF 4400

DPF 4400 is a 3.5-mil opaque satin calendered film with low-profile air-egress liner. Designed for short term applications such as flat promotional vehicle graphics, changeable graphics, and general signage. The low-profile air egress liner allows for fast and easy installation. The unique tack level of DPF 4400 allows the product to work well during colder weather installations. DPF 4400 has a thicker facestock providing added opacity to ensure your printed graphic looks vibrant.

### Unique Features:

- ▶ Low-profile air-egress liner for quick + easy installation
- ▶ Clean Removing off of OEM painted surfaces without the use of heat or chemicals
- ▶ Suitable for colder weather installs
- ▶ Vibrant and Reliable Print Quality

### Applications:

- ▶ Fleet & vehicle graphics (flat)
- ▶ Changeable Graphics
- ▶ General Signage
- ▶ Smooth Painted Walls
