# DPF 4580GX-HO

DPF 4580GX-HO offers a high level of opacity to effectively blocks light and provide underlying vinyl and graphics cover up to provide a superior clean and vibrant appearance for a variety of applications. The Low Profile X-Scape Technology® allows air to escape through the channels for a faster installation. The high quality polymeric facestock also ensures exceptional graphics for intermediate graphics.

## Unique Features:

- ▶ High opacity properties for clean graphic visuals
- ▶ X-Scape Technology® provides a speedy installation
- ▶ Fire certified for Australian Fire Standard AS 5637

## Applications:

- ▶ Intermediate Signage (Interior, Exterior)
- ▶ Retail Signage
- ▶ POP Displays
- ▶ Kiosks
