# DPF 510GTX/MTX-HT

DPF 510GTX/MTX-HT can be used for a wide range of applications including short-term promotional and display graphics on interior and exterior flat surfaces. The high tack adhesive provides superior adhesion for multi-purpose signage applications while with X-Scape Technology®, it ensures smooth and easy bubble-free installation. This film provides uniform ink receptivity across most printing systems, resulting in vibrant, high-quality graphics. Its light gray adhesive also provides opacity to cover existing graphics.

## Unique Features:

- ▶ X-Scape Technology® allows for easy and speedy installation
- ▶ High Print Quality across a Range of Print Systems
- ▶ Fire certified for Australian Fire Standard AS 5637

## Applications:

- ▶ Short-Term Interior or Exterior Signage
- ▶ Display Graphics
- ▶ Tradeshow Signage
- ▶ Construction Graphics
