DPF 510GTX / MTX

DPF 510GTX/MTX delivers a consistent, vibrant print quality at an unbeatable value for your short-term applications. X-Scape Technology® provides a bubble-free installation with a smooth, paint-like finish that installers value for promotional graphics, vehicle wraps*, and more. DPF 510GTX/MTX has consistent ink receptivity across most print systems for a vibrant, high-quality finished graphic. The light gray, permanent adhesive allows for easy installation while ensuring enough opacity for covering existing graphics. Combine DPF 510GTX/MTX with Series 3510 overlamine for added abrasion resistance.

Características Únicas

- ▶ Low Profile X-Scape Technology® for Easy, Bubble-Free Installations
- ▶ Exceptional, Vibrant Print
- ▶ Consistent Performance with High Heat Printers

Aplicaciones:

- ▶ Short-Term Interior or Exterior Signage
- ▶ POP / Trade Show Graphics
