## DPF 5200

DPF 5200 is a premium decorative film that simulates an etched glass finish for interior or exterior applications. Available in three standard finishes, DPF 5200 is an ideal film to transform glass or clear substrates into elegant designs. Further customize graphics by printing on any of the finishes with standard digital print systems. DPF 5200 is the perfect choice for projects where a high-quality film for decorative etched glass designs is required.

### Unique Features:

- Premium decorate cast film
- Ideal choice for both printed and non-printed graphics
- Synthetic liner makes wet and dry application easy

### Applications:

- Windows
- Mirrors
- Partitions

### Category:

- Window Graphics
