

ARLON

ILLUMINITE Wrap® + FLITE TECHNOLOGY

Add a night shift to the visibility of your graphics and never miss another impression with IllumiNITE Wrap®. As a premium digitally printable reflective film featuring FLITE Technology®, installers will experience an effortless installation when wrapping gentle curves and complex corners. The exceptional repositionability from FLITE Technology® will alleviate bruising or chatter lines resulting in optimal reflectivity. Combine with Series 3220 overlamine to protect and enhance your graphic.

Unique Features:

- ▶ Superior Repositionability, Minimizing Bruising for Optimal Reflectivity
- ▶ Fastest Installation with FLITE Technology®
- ▶ Enhanced Elongation for Optimum Conformability
- ▶ Brilliant Graphics by Day, Luminous Graphics by Night

Applications:

- ▶ Vehicle Graphics (Full, Partial)
- ▶ Vehicle Decals
- ▶ Fleet Graphics
- ▶ Fleet Markings

Certified for
HP Latex Inks
