

REACH Compliance Declaration

June 29, 2017

Arlon Graphics declares that Series 2100/2200 Premium Cast Opaque Film supplied as sign fabrication materials comply with the list of 173 Substances of Very High Concern (SVHC) published by the European Chemicals Agency (ECHA) on January 12, 2017.

Under the structure of the REACH regulation, Arlon Graphics, LLC is a manufacturer of "ARTICLES" to our customers. In accordance to Article 33 of REACH: Duty to communicate information on substances in articles, any supplier of an article containing a substance on the list in a concentration above 0.1% (w/w) shall provide the recipient with sufficient information to allow safe use of the article including, as a minimum, the name of the substance.

Therefore, we declare that the article mentioned above **do not contain** any of the SVHC listed in the REACH regulation.

We are being notified by our suppliers if further additions of substances to the SVHC list are present in the products supplied to us and we do not test or analyze for ingredients not intentionally added.

We expect that this letter should answer your concerns with regard to the current status of the products Arlon Graphics supplies to you in relation to EU REACH Regulation (EC) No 1907/2006.

Sincerely yours,

Kelly Kwo
Technical Service Manager
