

# SERIES 5800X

Series 5800X is a 3.2-mil (80 micron) polymeric calendered air-egress film and is one of the most pliable calendered films on the market. With an air-egress PET liner which allows for a high gloss finish, this product is ideal for signs, graphics or displays requiring vibrant high-gloss color. This film is available in 50 bright colors and provides excellent cutting and weeding for improved productivity and has an outdoor durability rating of up to 7 years.

## Unique Features:

- ▶ Clear synthetic liner resists moisture absorption and prevents liner splitting
- ▶ Excellent cutting and weeding performance down to 1/2"
- ▶ High gloss finish is excellent for banners, interior and exterior graphics
- ▶ Provides up to 7 Years of Outdoor Durability
